

Nissan Forklift Parts

Nissan Forklift Parts - Nissan prides itself on reaching complete customer satisfaction when their buyer is enjoying one of their countless trucks, cars or lift trucks. Nissan Forklift branch is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are fully committed to providing high value and detail-oriented quality values to their clients. Incorporating a rich heritage combined with solid manufacturing principals, Nissan lift trucks provide some of the best materials handling equipment the industry has to offer.

In order to satisfy the worldwide requirements of their diverse consumer base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to delivering customer support, the business has four separate manufacturing facilities that permit them to constantly adapt to their consumers continually evolving needs by providing a variety of modern ideas and concepts.

Nissan Forklift operations for North and South America is situated in Marengo, Illinois. Home to a team of 350 personnel, they are dedicated to the design, manufacture, and support of their lift truck products. Utilizing ISO standards (ISO-9001 and ISO-14001 certifications) this permits sectors of the Nissan Forklift Operation to maintain environmental responsibility by using techniques and processes that minimize their environmental footprint. These high values remind customers that Nissan operates under the quality seal that their customers require whilst being an environmentally responsive organization.

Nissan is quite convinced that any of their clients questions and customer concerns directed towards them can be fully addressed. Always available through their website or by calling 800.871.LIFT, contacting one of their community endorsed sellers or even traveling to their Midwestern facility, Nissan Forklift Corporation is sure you will be impressed with their hospitality and commitment.
